ENVIRONMENTAL POLICY

Our Commitment
Moran (E.A) Publishers Limited is a Publishing Company that strives to provide quality information to our readers by publishing and marketing stimulating education and general materials worldwide.

Our Environmental Commitment is:
Moran (E.A) Publishers Ltd, are committed to providing quality service in a manner that ensures a safe and healthy workplace for our employees and minimizes our potential impact on the environment. We operate in compliance with all legislation and we strive to use pollution prevention and environmental best practices in all we do.

Our Policy therefore, is to:
- Integrate the consideration of environmental concerns and impacts into our decision making and activities.
- Minimize our waste and then reuse or recycle as much of it as is possible.
- Minimize energy and water use within our buildings and processes in order to conserve supplies and minimize the consumption of natural resources.
- As far as is possible, purchase products and services that do the least damage to the environment.
- Train, educate and inform our employees on environmental protection and empower them to contribute and participate.
- Promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner.
- Communicate our environmental commitment to clients, customers and the public and encourage them to support it.
- Continually improve over time by striving to measure our environmental impacts and by setting goals to reduce these impacts each year.

Signed: ___________________________ Date: 10th January 2011
Title: Managing Director

This policy will be reviewed on a regular basis to evaluate continued relevance and to monitor compliance.
