Who we Are

Moran (E.A) Publishers Limited is committed to providing quality educational content that is relevant to the needs of East African learners and beyond. Our books are written by experienced authors and subject experts, and they are reviewed by a team of educational specialists to ensure that they meet the highest standards of quality. We have established ourselves as East Africa’s leading publisher and have enriched our titles in virtually every genre as we extend our reach on the global platform.

Moran (E.A) Publishers occupies a distinctive strategic niche in the African publishing landscape by focusing on delivering high-quality educational materials tailored to the needs of local learners and educators. With a mission centered on enhancing teaching and learning outcomes, Moran (E.A) Publishers recognizes the importance of culturally relevant and context-specific content that resonates with our audience.

Our commitment to quality is evident in this extensive catalogue, which includes, Course books, supplementary materials, setbooks for various educational levels, and innovative digital resources. By prioritizing local course development and actively engaging with educational stakeholders, we ensure that we meet the evolving demands of the Kenyan education system and beyond.

To solidify our niche, Moran (E.A) Publishers employs a strategic approach that combines traditional publishing with modern digital initiatives, such as the Bongoshapp mobile application, which enhances accessibility and engagement with our rich literature. By embracing both print and digital formats, the company caters to a diverse readership, including young learners and educators seeking innovative learning tools. Furthermore, Moran (E.A) Publisher’s strategic partnerships with educational institutions and organizations reinforce our role as a pillar in the publishing sector, allowing it to contribute significantly to the education landscape in Africa. This holistic approach not only positions Moran (E.A) Publishers as a pivotal player in driving educational advancements but also supports our long-term goal of becoming the leading publisher globally.

Vision, Mission and Core Values

Vision:

Cornerstone of Knowledge for Humanity.

Mission:

Publishing Well-Researched Life-Long Educational Content.

We commit ourselves to QATIC in all our undertakings:

Quality: We are committed to publishing high-quality educational content that meet the needs of learners in Africa

Accountability: We believe that accountability is essential for success. By being accountable to our stakeholders, the company is able to build trust and credibility. This, in turn, allows Moran (E.A) Publishers to continue to provide high-quality products and services that meet the needs of our customers

Teamwork: We work closely with teachers, authors, and other stakeholders to ensure that the published educational content is relevant and meet the needs of learners.

Integrity: We are committed to being honest and fair. By being honest and ethical, the company is able to build trust and credibility. This, in turn, allows Moran (E.A) Publishers to continue to provide high-quality products and services that meet the needs of our customers.

Customer Focus: By putting the needs of our customers first, Moran (E.A) Publishers is able to build trust and loyalty. This, in turn, allows continuous growth and success.

NOTES TO OUR CUSTOMERS

Moran (E.A.) Publishers 2025 Price-List provides you with information on a wide variety of important titles and products in our backlist. We recommend that you apply it as a roadmap to finding your preferred title, while you also sample the rich variety of books that Moran (E.A.) Publishers has to offer.

Prices

The listed prices are our Recommended Retail Prices. They are effective from 1st January 2025 and are subject to 16% VAT. These prices may be altered without prior notice.

Publishing

Suggestions for new publishing projects and submission of manuscripts by experienced as well as upcoming authors should be directed to the Publishing Manager.

Trade Terms

For details regarding our trade terms, please contact our Customer Service department on cs@moranpublishers.co.ke or +254 727 429755 including WhatsApp.

Marketing Team

Stadi za Kiswahili

Stadi za Kiswahili ni mfululizo wa vitabu vya kiada vya Kiswahili vilivyoandaliwa kwa kufuata Mtaala wa Kiumilisi. Vitabu hivi vina sifa kuu zifuatazo:

- Vinatumia Kiswahili mwafaka kwa kuzingatia kiwango cha mwanafunzi
- Vinatumia maswali dadisi kukuza umilisi wa uwazaji kina na utatuzi wa matatizo
- Vinajumuisha shughuli za mwanafunzi akiwa peke yake, akiwa na mwenzake na akiwa na wenzake katika kikundi
- Vinajumuisha mada na mada ndogo zote zilizomo katika mtaala
- Yaliyomo yanawasilishwa kwa ubunifu wa kiwango cha juu

- Vinashughulikia matokeo maalum yanayotarajiwa kwa mujibu wa mtaala
- Vinajumuisha umilisi wa kimsingi kwa mujibu wa mtaala
- Vinashughulikia masuala mtambuko kama inavyoelekezwa katika mtaala
- Vinakuza maadili kwa mujibu wa mtaala
- Shughuli za ujifunzaji zinakuza stadi za Kusikiliza na Kuzungumza, Kusoma na Kuandika pamoja na Sarufi.

Hayo na mengine mengi yanadhamiriwa kuwawezesha wanafunzi kutumia Kiswahili sanifu katika mazingira mbalimbali.

Stadi za Kiswahili ni suluhisho kamili!

Skills in English

Skills in English coursebooks are meticulously designed and developed in line with the Rationalised Competency-Based Curriculum. They offer a unique approach that seamlessly cultivates essential skills, knowledge, values and attitudes necessary for mastering English as a learning area and as a means of communication.

The coursebooks adopt an inquiry-based approach to learning in all activities, fostering a learning environment that encourages exploration and discovery.

The coursebooks:

- Promote progressive learning from familiar to new concepts.

- Provide enough content for a holistic educational experience.
- Present extended activities to reinforce understanding of concepts.
- Provide a variety of activities that cater for the different interests and readiness levels of the learners.
- Introduce new words and phrases in context to help learners expand their word knowledge.
- Utilise revision exercises to reinforce concepts and help learners assess their progress, strengths and areas of improvement.

These comprehensive coursebooks make the learning of English fun!

Skills in English - The Cornerstone of CBC!

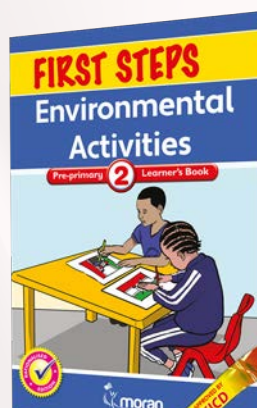

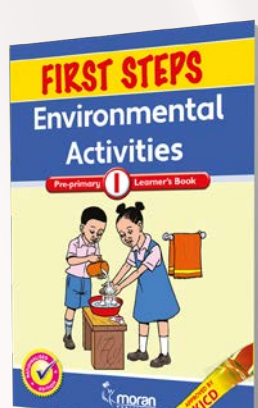

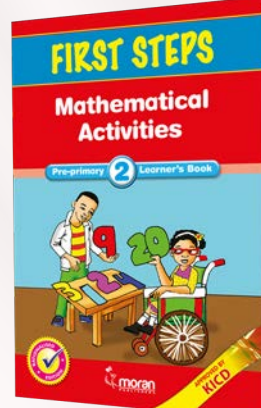

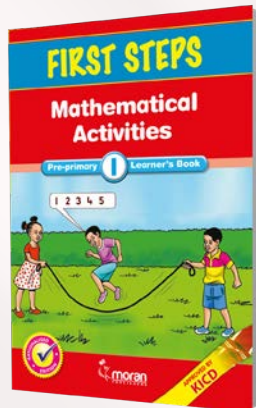

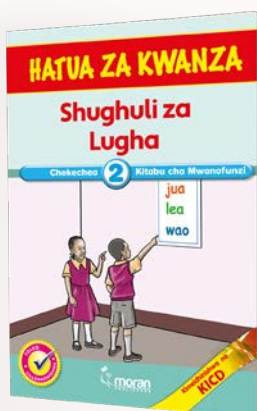

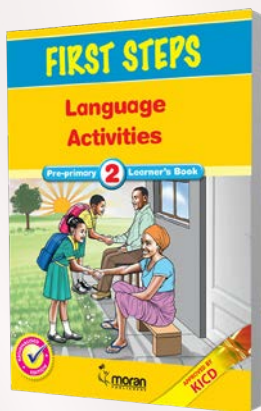

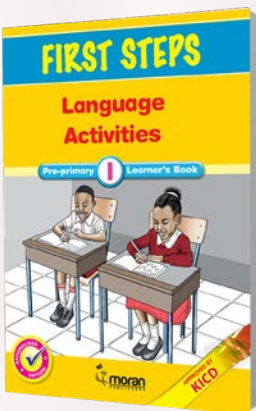

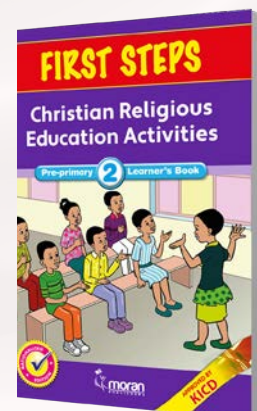

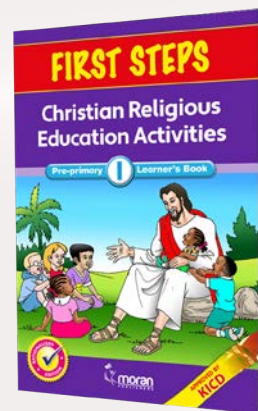

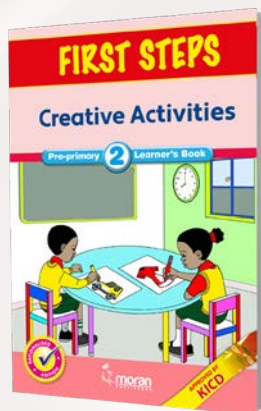

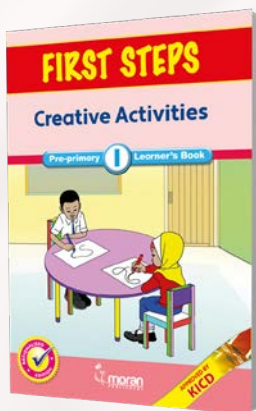

First Steps

First Steps is a series of PP1 & PP2 coursebooks developed in line with the Rationalized Competency-Based Curriculum. The Coursebooks in this series include: **PP1 & PP2 Language Activities, PP1 & PP2 Mathematical Activities, PP1 & PP2 Environmental Activities, PP1 & PP2 Creative Activities, PP1 & PP2 Shughuli za Lugha (Hatua za Kwanza)**. The coursebooks facilitate the development of the required knowledge, skills, competencies, values, and attitudes presented in the curriculum design. These course books ensure that learners receive a comprehensive education that nurtures their creativity, critical thinking, and holistic development.

The books have the following features:

- Relevant, well-drawn and full-colour illustrations that arouse the learner's desire to learn.
- Use simple language to the level of the learner.
- They have a variety of activities that enable learners to explore and learn.
- They have activities that integrate the core competencies, values, pertinent and contemporary issues.
- Encourage the use of learning resources from the learner's immediate environment to enable the learners to appreciate the environment.

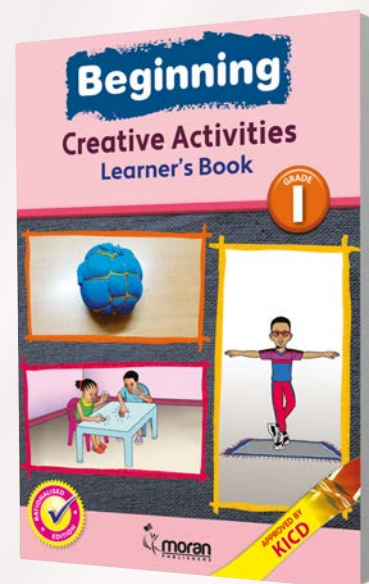

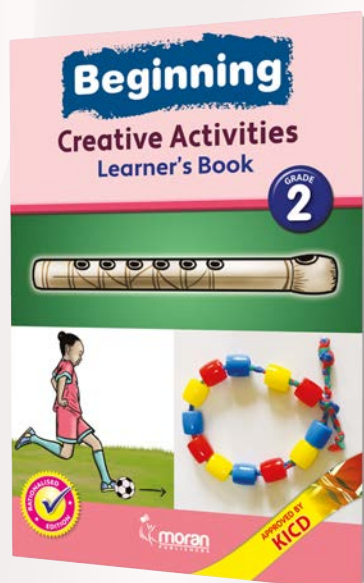

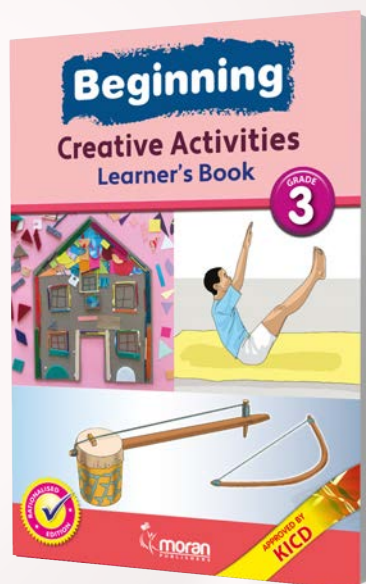

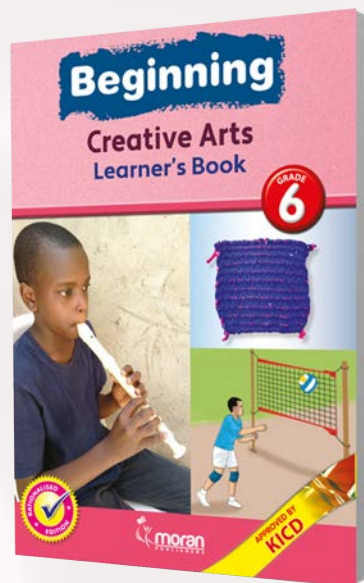

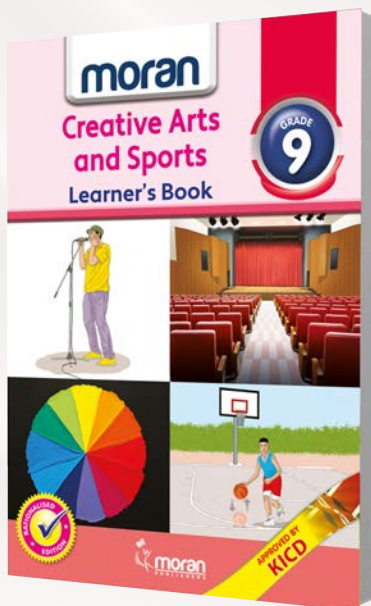

Beginning Creative Activities/Arts

Beginning Creative Activities for **PP1 – Grade 3**, **Beginning Creative Arts** for **Grades 4-6** and **Moran Creative Arts and Sports** for **Grades 7-9** are complete Rationalised Competency-Based Curriculum (CBC) coursebooks. The coursebooks are developed to help the learner acquire various skills and concepts.

The coursebooks have the following features:

- Cover all Specific Learning Outcomes as stipulated in the curriculum design.
- Have guided instructions to help the learner carry out practical tasks with ease to ensure development of concepts and skills.
- Provide digital links for learners to access more information through videos and audios to enhance the achievement of digital literacy.
- Provide room for use of locally available materials that can be accessed easily by the learner.
- Allow each learner an opportunity to conduct a self-assessment.
- Creatively develop core competencies, values and Pertinent and Contemporary Issues (PCIs) through different learning experiences.

Moran Pre-Technical Studies

Moran Pre-Technical Studies coursebooks are developed in line with the Rationalised Competency-Based Curriculum. It facilitates the development of the required knowledge, skills, competencies, values and attitudes presented in Pre-Technical Studies Curriculum Design.

Content in these coursebooks are presented in a manner that engages the learner and stimulates curiosity during learning. All activities are mindfully formulated to equip the learner with the necessary competencies to explore and apply Pre-Technical Studies knowledge and skills in the immediate environment and day-to-day experiences.

Key features of the series:

- Presents numerous **interactive activities** that enable the learner to acquire practical skills to solve problems in day-to-day life
- Have a **learning corner** section at the end of each activity to provide facts on the concepts learnt

- Provides **self and peer-assessment** activities to help learners evaluate themselves and others on the skills and concepts learnt
- Presents **extended activities** to enable the learner to apply the acquired skills and competencies outside the classroom
- Presents **adequate exercises** under the **assessment task** section for the learner to practise the skill and concept learnt for lifelong learning and problem-solving.

Moran Integrated Science

Moran Integrated Science is a series of coursebooks designed in line with the rationalised Curriculum Design for **Integrated Science**. This series provides a logical and systematic organisation that empowers learners to achieve desired educational outcomes. These coursebooks facilitate the development of appropriate competencies, skills, knowledge, values and attitudes presented in the Integrated Science Curriculum Design.

It sparks curiosity and fosters inquiry-based learning. The content in the book is presented in a manner that engages the learner and stimulates the quest to learn and discover during learning.

This series has the following features:

- Relevant Illustration that arouses the learner's desire to learn.
- Has a variety of activities to enable learners to learn and discover as the activities cater for differentiated learning.

- Has activities that involve experiments to enable learners to put into practice the acquired scientific skills.
- Encourages the use of learning resources from the learner's immediate environment to enable learners to appreciate their environment.
- Gives guidelines on ways of Improvisation and manipulation of the resources available to achieve the learning objective.

APPROVED CBC TEACHING AND LEARNING RESOURCES

Science Charts: Primary and Junior School

They provide a visual representation of complex scientific concepts, making them easier to understand and remember.

The science charts assist teachers and learners benefit greatly from visual aids. The charts can be used to spark discussions, encourage critical thinking, and foster a deeper understanding of scientific principles. The charts include:

UPPER PRIMARY SCIENCE AND TECHNOLOGY CHARTS

Volume 1

- Parts of a Plant
- Parts of a Flower
- A cross-section of a flower
- Functions of parts of a flower
- Types of Root Systems
- Fungi

Volume 2

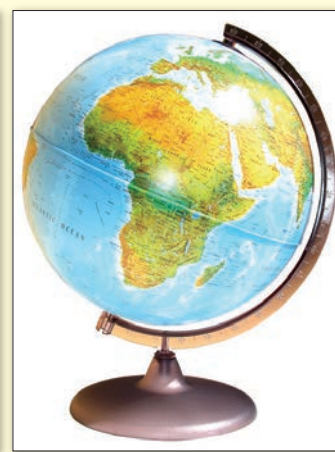

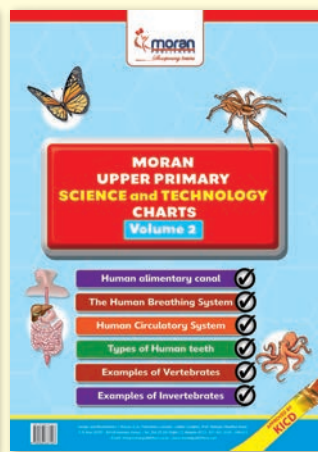

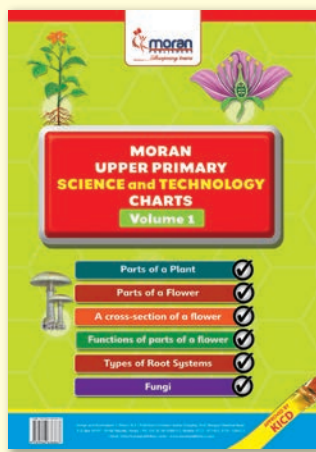

- Human alimentary canal
- The Human Breathing System
- Human Circulatory System
- Types of Human teeth
- Examples of Vertebrates
- Examples of Invertebrates

JUNIOR SCHOOL INTEGRATED SCIENCE CHARTS

- The human heart
- Types of blood vessels and their functions
- The human urinary system
- Male reproductive system
- Female reproductive system
- Fertilisation and implantation
- Structure of the leaf
- Process of double fertilization in plants
- Structure of the cell
- Structure of the Atom
- Periodic Table of Elements

Wall Maps and Globes:

Wall maps and globe are important teaching tools for social studies. Wall maps provide a visual representation of countries, continents, oceans, and other geographical features. They help students understand location, size, and relative position of different places. The Globe on the other hand, offer a three-dimensional view of the Earth, demonstrating concepts like latitude, longitude and time zone
